**Prof. Dr. Mike Tham ,
Creator of Green
Innovation**

Prof. Dr. Mike Tham , Dr. Mike Tham Creator of Green Innovation Company

About Prof. Dr. Mike Tham

Nationality: New Zealand Chinese

Experience: 35 Years in Network Marketing | 10 Years in Cryptocurrency

Prof. Dr. Mike Tham, a celebrated figure in strategic leadership, boasts an illustrious career spanning over three decades in network marketing and a significant tenure in the cryptocurrency sector. Renowned for his expertise as a trainer and speaker, he has played a pivotal role in sculpting the landscapes of multi-level marketing (MLM) and the cryptocurrency industry. Global Reach and Impact Under Dr. Tham's astute leadership, the marketing team of Green Innovation Company has flourished, extending its influence across more than 30 countries. This expansion is a testament to his remarkable managerial acumen and his unwavering dedication to cultivating diverse and inclusive work environments. His global footprint is indicative of his capacity to foster growth and innovation on an international scale. Commitment to Environmental Sustainability As a staunch proponent of environmental conservation, Dr. Tham's active participation in global climate change conferences has been noteworthy. His enthusiasm for tree planting initiatives and sustainable cultivation practices highlight his deep-seated commitment to tackling the world's climate issues. Vision as COO of Green Innovation Company In his role as COO, Dr. Tham transcends the conventional boundaries of leadership. He is a visionary, propelling Green Innovation towards worldwide acclaim for its proactive stance in the battle against climate change. He is at the forefront of advocating for corporate accountability in pollution and actively encourages engagement in the green revolution. Forward-Looking Approach Dr. Tham's strategy is characterized by the seamless integration of cutting-edge green technologies into the fundamental business model of Green Innovation Company. His foresight envisions a future where the growth of business and ecological sustainability are inextricably linked, ensuring a harmonious and environmentally friendly progression. Conclusion Prof. Dr. Mike Tham is the epitome of a leader who not only excels in the corporate arena but also shows an unwavering commitment to environmental guardianship. His leadership is crucial in steering Green Innovation Company towards a sustainable and greener future, aligning perfectly with the company's ethos of environmental responsibility and stewardship.
